RE: CLUB OPERATIONS

Dear Members:

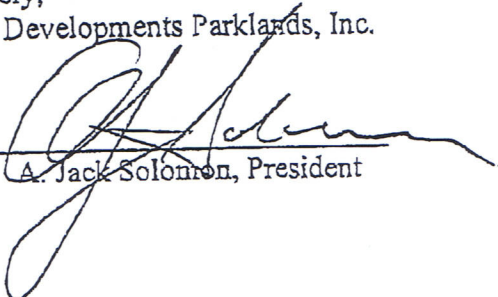

It is with great regret that we inform you that effective immediately all Club operations have been suspended.

Ronto Developments Parklands, Inc. ("Ronto") no longer acts as the Administrative Partner or Developer for Parklands Development Limited Partnership. Our position is reduced to that of a minority partner. Despite intensive efforts, we have been unable to persuade our financial partner to continue to fund Club operating deficits and we have been unable to successfully negotiate with the Partnership's lender to fund Club deficits and/or to realize a sale of the Partnership assets to an entity that would do so in conjunction with future development of the adjacent Parklands Collier land, Town Centre and the remaining lots.

While Ronto has expended its own money in an effort to keep the Club operating during such negotiations, it has now exhausted its resources, other than undertaking to compensate the Club Manager, Grace Lennon, for an indefinite period to assist the members in organizing to protect their interests. We can only suggest that you contact her at the Club and organize a committee as soon as possible for that purpose. We will provide through her all necessary contact information, data, records, access, licenses, equipment, etc., and will undertake to assist in any way we can.

Thank you for your attention to the foregoing. Our sincere regrets for the unprecedented circumstances that have given rise to this situation.

Sincerely,
Ronto Developments Parklands, Inc.
